REMARKS

A Restriction Requirement under 35 U.S.C. §121 was mailed on September 22, 2006 asserting that claims 1-19 and 50-65 were pending and subject to restriction and/or election requirement as set forth in the Restriction Requirement. Applicants hereby elect Species A as asserted to be embodied by claims 1 and 61 without traverse.

Claims 1-7, 50-53 and 61-65 read on the elected species of claims 1 and 61 since claims 2-7, 50-53 and 62-65 each depend directly or indirectly from the respective claims 1 and 61, and the implant in Figs. 52-56 to which claims 1-7, 50-53 and 61-65 are directed is disclosed as including the features recited in each of these claims. Furthermore, new claims 66-70 are readable on Species A.

In the amendment filed with this response, claims 15-49 are cancelled and new claims 66-70 are added. Claim 66 is a linking claim that links the "species" A and B. Therefore, all pending claims 1-14 and 50-70 are believed to be entitled to examination in the present application.

Further consideration of the present application in view of the foregoing election is respectfully requested.

Respectfully submitted,

Douglas A. Collier, Reg. No. 43,556
